TANDEM PARAGLIDING

Let us show you why thousands of people have enjoyed this once in a lifetime experience. Contrary to popular belief, you are not 'leaping of a cliff' you are simply running a few steps and then you are airborne. Ölüdeniz has one of the highest commercial take off points in the world. The take off point is at 6550 ft looking over Ölüdeniz on the Babadağ Mountain. You will have the most spectacular view of the area around, and you also have the choice of experiencing 360 degree turns and wing-overs.

Needs: Sunglasses, trainers, Max. weight 105kg.
